## ROAD / DUAL SPORT DIVISION SUPPLEMENTARY GUIDELINES

(These guidelines are a supplement to the AMA Road Guidelines)

1. To earn District 14 points, a Rider or Passenger must be a current member and in good standing of the AMA and AMA's District 14.
2. **Points** will be awarded on the following basis for Riders and Passengers, 1<sup>st</sup> – 10 points, 2<sup>nd</sup> – 9 points, 3<sup>rd</sup> – 8 points, 4<sup>th</sup> – 7 points, 5<sup>th</sup> - 6 points, 6<sup>th</sup> – 5 points, 7<sup>th</sup> – 4 points, 8<sup>th</sup> place & under will be 3 participation points.  
Three (3) participation points will be awarded to anyone working at the sanctioned District 14 Road Event. A list of workers must be forwarded by the sponsoring club along with the referee's report to the Road Division Points Keeper.  
All D14 participants not placing will receive three (3) participation points for riding the full course and finishing the event. At each event, the DFCC place points are to be awarded to DFCC members. This proposal is not to change the awarding of trophies at each event, only that place point standings by virtue of their membership. If a DFCC member rides more than one event in one day, that member will be eligible to receive points earned in that day, but must finish all events.
3. Participation points will be awarded for attending other than D14 events as follows, Two (2) points for AMA Sanctioned District Tours and Rallies, AMA National Championship Road Events and AMA Road Riding Convention Series. One (1) point for any other AMA sanctioned event. Participants must send the event onionskin, signed by the sponsoring club's official, to the District 14 Road Division Points Keeper within 14 days after the event.
4. On the drawing of the cards at a poker run, only the original 5 cards count towards District 14 points.
5. Points will be tabulated for events from November 15 through November 14 for all AMA/AMA D14 sanctioned events. Barring any unforeseen circumstances, clubs will be required to announce, post, or by receipt, the District 14 points awarded at the end of the day of the event, for the event that just occurred.
6. All clubs promoting D14 Road Division events will pay \$.25 for all sign-ups AMA or NON-AMA per rider or passenger for awards and operating expenses. The funds will be forwarded to the Treasurer/Points Keeper with the event referee's report.
