Dear D14 Members,

My name is Olivia Gallt, I am 20 years old. I graduated from Lansing Community College with my associates degree in graphic design. I am working as a full time graphic design intern and do contract work part time. I have been part of the District 14 family for about 13 years. I started out competing in Family Enduros, then worked my way into the Harescramble Series, and I currently race the Michigan Sprint Enduros. I love riding my dirtbike and spending the weekends with my family at the track. I have grown up seeing the encouraging community District 14 is all about and I am beyond grateful for this opportunity to help the District grow.

Beginning in August 2023, I will be the editor of the District 14 Motorsport News online magazine. This online magazine opens up many opportunities for the District to engage riders, create a sense of community, and encourage participation. We encourage you to support this new magazine through sponsorships and submitting your race content.
