Step 2: Now complete either the Existing User portion OR the New User portion. If District 14 does not have an email address for you, you will need to follow the New User steps. Once you create a New User profile, you can purchase a membership. Don't worry, the Membership Admin will be able to tell if you are already a member.

FAQs:

Can I buy/renew over the phone?

No, we have no way to take payment over the phone.

I can't renew, I get an error message.

See step 1.

Are you within 60 days of expiration? If not, you can't renew online.

Where do I find the Family Memberships?

You don't. AMA has those, but District 14 does not. Each individual has a membership.

My kids don't have an email address, how do I sign them up?

The email address is the person's unique identifier – you can set them up an account, use a parent's work email address, or even make one up. It just must be different from anyone else's.

I'm renewing for multiple people...

The process is the same for each person. Make sure you log off fully in between each person or you may overwrite the previous membership.

I hate technology. Is there another way?

Forms are available at every District event, or you can print the Membership Application (one for each person) from this website and mail it in with payment to:
